

MSHA Part 46 Refresher Training

FREE to WACA Members!

**WASHINGTON AGGREGATES
& CONCRETE ASSOCIATION**

Thursday, February 29, 2024

8:00 - 4:00

New location: WACA Office, 22223 7th Ave. South, Des Moines, WA 98198

Topical Sessions Include:

- **2023 Fatality Review;** in 2023, 40 fatalities. A review of MNM fatalities in our industry. A group discussion on what, why, and best practices for prevention.
- **Power Haulage/Mobil Equipment.** Look at the revised standard/guidelines and how we reduce power haulage/mobile equipment incidents.
- The Human Factor of Safety. Peter Hay, VP of Customer Success, Predictive Safety.
- An update on proper **Respiratory Protection, BMPs, and PPEs.** A discussion on BMP respiratory practices, PPE, equipment training, and use. An important area of emphasis in many mine site locations.
- **Work Place Exams** are always one way to reduce incidents, fatalities, and citation reductions.
