Important Note and Overview of the Special Assessment Dues Investment Schedule

The WACA Board has approved the institution of a temporary, two-year special dues assessment to recover a portion of the unbudgeted legal expenses required to defend the Sand & Gravel General Permit (SGGP).

- **Total Legal Defense Cost:** Total projected expenses are expected to reach approximately \$500,000, leading up to the formal hearing in June 2027.
- **WACA Reserve Contribution:** To reduce the financial impact on members, the WACA Board has authorized \$200,000 to be paid directly from association reserves. Restricted funds, such as PAC and ELF, are not being utilized.
- **Remaining Member Responsibility:** The remaining \$300,000 will be successfully recovered through this special member investment schedule.

Investment Schedule Structure and Timing

- **Assessment Rate:** Members will see an annual assessment equal to 30% of their regular annual membership dues.
- **Duration:** The temporary assessment will span exactly two consecutive years.
- **Invoicing Timeline:** The investment will appear as a separate line item on standard membership renewal invoices for Fiscal Year 2026/2027 (Year 1) and Fiscal Year 2027/2028 (Year 2).
- **Equity Scale:** The assessment scales proportionally to size. Larger producers pay more, and smaller operations pay less based on current dues tiers.
