

# WA ACI Chapter Meeting - Spokane Edition

## Knife River Prestress Plant Tour

**Date:** Wednesday, **April 15, 2026**

**Plant Tour, Dinner & Presentation:** 3:00 - 6:00 PM

**Location:** Knife River Prestress Inc., 7721 N. Idaho Rd., Newman Lake, WA 99025

Join the **WA ACI Chapter** for an exclusive look at the **Knife River Prestress** facility—the most advanced precast plant in Western U.S.

### What to Expect:

- **High-Tech Production:** Automated electric delivery and 400ft hollowcore beds.
- **Innovative Engineering:** Behind-the-scenes look at bridge girder production and carbon-reduced manufacturing.
- **Networking:** Connect with industry peers at the leading edge of concrete innovation.

**Required PPE:** Hard hat, safety vest, eye protection, and closed-toe shoes.
