

ANNIE OAKLEY COMPETITION: OFFICIAL RULES

The Annie Oakley is Back! Faster Play. Higher Stakes. More Competitive Than Ever.

1. Eligibility & Entry

The Annie Oakley Competition is an exclusive add-on to the main event. Participants must be registered for the Clay Shoot to be eligible to compete. The buy-in for this add-on is \$50 per competitor.

- **How to Join:** Shooters may add the Annie Oakley competition to their registration in advance or sign up on-site the day of the event.

2. The Purse & Payout

The prize purse consists of 50% of the total competition entry fees, awarded to our top two finishers:

- First Place: 60% of the purse
- Second Place: 40% of the purse

(Example: If 20 shooters enter at \$50 each, the total entry fees are \$1,000. The purse is \$500, with \$300 to 1st place and \$200 to 2nd place.)

3. The Format: A Progressively Challenging, Knock-Out Style Shoot.

The Knock-Out Rule

Shooters fire in a rotating sequence with three shooters each time. If a shooter misses, the next two shooters in line may attempt to "knock them out" by breaking the target. You are eliminated only if you miss and a subsequent shooter hits the bird.

The Rounds

- **Round 1 (16 Yards):** Survivors advance to the next line.
- **Round 2 (19 Yards):** Survivors advance to the next line.
- **Round 3 (22 Yards):** Sudden Death. Miss and you are out; hit to advance to the final round.
- **Final Round (25 Yards):** In this round, the last two shooters enter a final shoot-off to determine 1st and 2nd Place.

4. Fair Play: Club-Supplied Ammo Only

To ensure a level playing field and maintain a controlled "ammo scene," all participants must use ammunition provided by the Club. No outside shells are permitted; this ensures no shooter has an equipment or load advantage over another.
